(FOR ADDRESS ONLY)

Fishing Boat off the Fondamenta, Venice. Venice, the "Queen of the Adriatic," is a most beautiful city, its 15,000 houses and palaces being chiefly erected on piles and low-lying islands connected by bridges, of which there are no less than 378. Prominent features on the lakes and canals are the bright-hued triangular sails of the boats, and the graceful and swift gondolas.

This is Venice as it ought to be, and sometimes is in May & June, but very unlike the fog & cold now.

Hope you & H.H. Staff are all well.

Yours. Lotty.

Miss Bowlby.

Dear Spencer – This looks like a fairy boat – perhaps the fairies do sail in the boat –
